

How Does Our Program Work?

Momentum Agency clients pay a low monthly retainer per market, which sets us in motion on their behalf to do the following:

- Work with you to create a membership and sponsorship strategy.
- Manage your memberships and sponsorships, including negotiating benefits.
- Provide guidance on membership and sponsorship opportunities.
- Offer recommendations on events to attend.
- Advise on creating chamber-friendly content.
- Interact with memberships and sponsored organizations throughout the year on your behalf.
- Provide access to all of MPA's chamber, business association and not-for-profit relationships.
- Utilize MTGBA's relationships with chambers of commerce, business associations and not-for-profits to target key prospects among their memberships.

SPECIAL DEAL FOR PAACC MEMBERS!

MOMENTUM'S normal rate for our services are \$500/month per market. For PAACC members who mention this promotion, we'll give the full suite of services for just \$400/month - that's a \$1,200 savings per year!
